Welcome to the 2024 trapshooting season of the Maryland State Sportsman's Association. We are into the 12th year on our return to the Home Grounds in Thurmont, Maryland and we are capitalizing on the success of it. The small increases year to year in shooting attendance we find ourselves focused on longer term goals to better improve the shooting experience for everyone involved.

I would like to start with thanking all of the Maryland ATA gun clubs. To their delegates and their core group of volunteers, without them running any shoot would be an impossible task. I encourage all reading this if you can please volunteer and be involved.

I would like to congratulate all the MD shooters that have earned a spot on the ATA All American Teams; as well as those that earned their spot to the MD state team.

Most important, I would like to thank the Trapshooting Community for their commitment to the sport. You are the reason that the word continues to spread about the quality of your Maryland State Shoot. Without you we could not continue to delight in the growth and the friendships in this sport that we all enjoy.

Good shooting to all

The 123rd Annual Maryland State Shoot will be held at our home grounds in Thurmont. The Maryland State Sportsmen's Association will have full responsibility for conducting this shoot.

The Maryland State Sportsmen's Association is not responsible for accidents or injuries on the State Association's grounds and/or the gun club grounds.

All 2024 ATA and Maryland State Sportsmen's Association rules and regulations will be enforced and will govern all points not otherwise provided for herein. The Officer or Officers of the Maryland State Sportsmen's Association present at this shoot will make all decisions pertaining to the shoot, and his, her, or their decisions will be binding.

Change of Program

The Maryland State Sportsmen's Association reserves the right to refuse or reject any entry, and/or to change the program or plan of shooting in case weather, attendance, or other factors make it advisable.

This shoot will be under the direct supervision of the Officers of the Maryland State Sportsmen's Association.

Classification and Handicapping

The 2022 through 2024 averages and the last 1000 targets registered in each category will be used, plus known ability, which includes nonregistered shooting and past performances. Those shooters who do not have ATA cards, or do not have their ATA cards up-to-date, will be assigned Class and/or Yardage at the Committee's discretion.

IT IS THE SHOOTER'S RESPONSIBILITY TO SEE THAT HIS ATA CARD IS CORRECT AND UP-TO-DATE. ERRONEOUS CARDS SUBMITTED WILL RESULT IN DISBARMENT, FORFEITURE OF ALL TROPHIES AND MONIES, AND WILL BE REPORTED TO THE ATA FOR FURTHER DISCIPLINE.

SHOOTER'S INFORMATION - CONTINUED

ATTENTION ALL SPECIAL CATEGORY SHOOTERS

It is very important for you to remember the ATA Rules regarding your responsibility for declaring your special category eligibility.

When you are **CLASSIFIED** - you must tell the Classification Committee member handling your card whether or not you are eligible for any special category, and check your Classification receipt to be certain that it shows your correct eligibility.

Remember the ATA rule change regarding special categories. A shooter can declare only one special category - not two (Lady - not Lady/Vet or Junior - not Lady/Junior, etc.).

If a special category shooter ties for champion in any event and loses in the shoot off, he or she automatically falls back to the special category trophy.

You will **NOT** be eligible for any special category trophies if your Classification does not include that information.

CLOSING TIMES

The Closing Times listed are the times the cashier window closes for that Event. If your entry is not paid prior to the closing time, you will not be able to enter the event.

MAKE-UP TARGETS

No shooter will be allowed to make up more than 50 targets on the practice trap if he/she has missed his or her squad. If the shooter is unable to join the squad before they have started their 3rd sub event, the shooter must be resquadded.

SHOOTERS CAUTION

A shooter can make only one entry per event. Once the entry has been made, the cashier will not accept additional option monies from the shooter. **POSITIVELY NO CHANGES, WITHDRAWALS, OR REFUNDS** will be allowed once the entry has been made.

SHOOTERS ARE CAUTIONED TO CHECK THEIR SCORES as soon as they finish shooting and the scores have been posted.

The management will not be responsible for any errors after the options have been figured and posted on the board.

CAMPING INFORMATION

MSSA offers 38 camping sites with water and 50-amp electric service at \$30.00 per night or a 5-year lease at \$1,000.00 payable in advance to MSSA. All camping spots need to be reserved.

There were two new inductees to the Hall of Fame in 2023 - Earl Bangs Jr., and Bob Knode. The image of their plaques are included on subsequent pages. I am happy to announce that the two inductees for 2024 include Donald Peed and Betty Pfaff. They will be recognized during the annual MSSA meeting at the 2024 Maryland State Shoot. Please plan to join us to honor both deserving candidates.

There remain many deserving candidates that have not been selected yet with many still to be nominated. Once a candidate is nominated, he/she will be in consideration each year until selected. Although a new Nomination Form is not required in subsequent years, the Selection Committee welcomes updated information regarding the shooting accomplishments and/or contributions. Please continue to submit nominations for additional deserving candidates. Complete eligibility requirements are written into the by-laws and include 20 years as a Maryland resident and member of the ATA. Candidates are eligible for induction based upon shooting merit, as an outstanding contributor, or a combination of both criteria. Candidates can be nominated by anyone using the Nomination Form (available on a subsequent page or at www.marylandtrapshooting.com). When completing the Nomination Form, please include as much detail as possible to help the Selection Committee make the best choices.

Information regarding the Hall of Fame is available through MSSA website. In addition, you will see some old publications and artifacts at the Home Grounds, available for you to look through. Please let me know if you have any artifacts of interest for the Hall of Fame and I appreciate your support through the various fundraisers and donations that we have received. We continue operate completely on those donations. If you have any questions or need to reach me, my contact information is as follows:
