TOURNAMENT INFORMATION

Classification Committee

- Ray Greb, Chairman, assisted by Eastern Zone Delegates in attendance

Classification

- It is the shooters responsibility to see that his/her ATA average card is correct and up to date. Falsified cards submitted will result in disqualification, forfeiture of all trophies and monies, and possible further disciplinary action by the ATA.
- Classification will be based upon 2024 and 2025 averages. The last 1,000 targets registered in each discipline and known ability including non-registered shooting will be considered in determining a shooter's class.
- Classification for all events will open at approximately 3-5 PM on Wednesday, July 15,2026.
- Those shooters not having ATA cards, or those not having their ATA card up to date will be assigned Class and/or Yardage at the Committee's discretion.

NOTE: A win or tie for any Class or High Gun trophy in any Singles or Doubles event will result in moving up one class.

Special Category Declaration

- **New York State law requires Sub-Junior shooters to be a minimum age of 12 years old.**

- No contestant will be allowed to declare or change a special declaration after firing his/her first shot. The only exception to this rule will be to correct an ATA classification error. It will be the responsibility of the delegate or member of the Central Handicap Committee (CHC) to determine what constitutes an ATA classification error.

Target Resetting

- Target shall be reset only after a member of the target setting committee or shoot committee has come to the trap to review the targets.

Squadding

- Squadding and Cashiering windows will be open Thursday July 16, 2026, at 9:00 AM and one hour prior to the start of events for the following days. Cashiering will close at 4:00 PM daily, except Sunday when it will close at 1:00 PM.
- Pre Squadding is available through SOS Clays.
- Once an entry is cashiered, no changes will be allowed. Entries will not be refunded unless an event is cancelled (not postponed) or shoot management approves a refund.
- During the shoot the same rules explained in the pre-squadding instructions apply. A shooter will only be allowed to request one position per event per ATA number. Shooters requesting more than one position per event must have the ATA cards for each of the prospective squadmates, and those squadmates must not have already reserved a position in the event. Shooters desiring to change squads and/or positions must relinquish the position they are holding before obtaining a new position.
- Please make only squad reservations you anticipate filling. Please relinquish unused reservations at the squadding desk as early as possible
- Banks are not rotated. Each bank will have a limited number of squads assigned to it. When a bank is full, it is full. Additional squads will only be opened by shoot management. Shooters who prefer a specific bank, squad, or shooting time are urged to presquad using SOS Clays. Presquad early for the best selection. Additional squads will be reserved on bank #4 for our chair shooters.

Trophies

- Only Eastern Zone residents are eligible for ATA and Zone trophies.
- Shooters electing "targets only" are NOT eligible for trophies or added money.
- Only one trophy may be won per event. ATA rules governing trophy distribution shall apply.
- Any shooter who is tied for event champion may shoot off or carry over for the championship trophy. If the shooter fails in the championship trophy shoot off or carry over and has declared a special category at the time of classification, the shooter will fall back to the declared special category.
- If there is no champion trophy, the declared category shooter will take the category trophy and may not fall back to the class trophy.
- Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/hers declared special category will compete for the category trophy and not for place, class, or yardage group.

- Any special category shooter whose score doesn't qualify for a trophy in his/her category may compete for place, class, or yardage group.
- Once any declarations have been made either by a shooter or shoot management, the declaration is final and cannot be changed unless to correct an ATA classification error. It will be the responsibility of the delegate or Central Handicap Committee (CHC) member to determine what constitutes an ATA classification error.
- Trophies will not be mailed and should be picked up after each day's shoot offs whenever possible.
- The Zone Singles Champion will receive \$150.00 added money at the time he/she competes as the Eastern Zone representative in the 2026 Grand American Zone Champion of Champions Event.

Shoot Offs

- Shoot offs will begin following the conclusion of the day's regular program events. All ties in the handicap events will be shot off each day if possible. Ties in Singles and Doubles events will carry over to the next like event until settled. Any remaining ties will after Friday will be settled on Saturday and/or Sunday night if necessary.
- Maximum daily shoot off targets will be 200, unless otherwise agreed by all contestants. Management will determine if multiple events can occur at the same time.
- The Eastern Zone reserves the right to adjust traps after 100 shoot-off targets provided all contestants agree to the change.
- Contestants not reporting for shoot offs in a timely manner will forfeit all rights to any trophies involved. Shoot offs will be announced on a First, Second, and Third call basis over the public address system.
- On Thursday and Saturday, shoot offs will be conducted by the Eastern Zone Delegates. On Friday, shoot offs will be conducted by officials of the NYSATA and ATA Past Presidents. On Sunday, shoot offs will be conducted by NYSATA officials and any Eastern Zone Delegates remaining.

Ammunition

- Only ammunition conforming to ATA rules may be used.
- Ammunition is subject to challenge at any time by any competitor. If ammunition is found to be non-conforming, the competitor will be disqualified and forfeit all trophies and monies.
- Ammunition will be available on the grounds on Vendors row. See Urb and Heidi Womer at their trailer.
- All empty hulls on the ground become the property of the club.

Shooting Line

- All singles and handicap events will be 50 targets per trap, two traps per bank. All doubles events will be shot 100 targets per trap. Traps, banks will be numbered from east to west. Squads will always be numbered as if we are using 12 banks for singles and handicap or 12 traps for doubles. However, at the discretion of shoot management, some banks or squad numbers may not be available during some events. The number of banks/traps may be adjusted, as necessary by shoot management. With this system, shooters only need to walk two fields to complete all 100 targets.
- Line personnel will be instructed to start each squad immediately upon the completion of the prior squad without waiting for any individual shooter. If a shooter misses a sub event, he/she should make every effort to complete the remaining sub events with the squad and then report to the practice trap to complete the missed sub event. No shooter will be allowed to make up more than two sub events in singles and handicap or more than on sub event in doubles
- Individual shooters will not be paged during any event.
