This shoot will be under the direct supervision of the Officers of the MSSA.

### **Classification and Handicapping**

The 2024 through 2026 averages and the last 1000 targets registered in each category will be used, plus known ability, which includes nonregistered shooting and past performances. Those shooters who do not have ATA cards, or do not have their ATA cards up to date, will be assigned Class and/or Yardage at the Committee's discretion.

**IT IS THE SHOOTER'S RESPONSIBILITY TO SEE THAT HIS ATA CARD IS CORRECT AND UP TO DATE. ERRONEOUS CARDS SUBMITTED WILL RESULT IN THE DISBARMENT, FORFEITURE OF ALL TROPHIES AND MONIES, AND WILL BE REPORTED TO THE ATA FOR FURTHER DISCIPLINE.**

It is the shooter's responsibility to see that the correct class and/or yardage, as well as any special category eligibility, are plainly marked on their cashier's receipt.

Any contestant shooting in a class or from a yardage other than that assigned to him or her shall be disqualified and shall forfeit all rights to any trophies, purses, or monies involved.

## Attention all special category shooters

It is very important for you to remember the ATA rules regarding your responsibility for declaring your special category eligibility.

When you are CLASSIFIED – you must tell the Classification Committee member handling your card if you are eligible for any special category and check your Classification receipt to be certain that it shows your correct eligibility.

Remember the ATA rules regarding special categories. A shooter can declare only one special category – not two (for example, Lady II – not Lady II/ Vet).

If a special category shooter ties for champion in any event and loses in the shoot off, they automatically fall back to the special category trophy. If a special category shooter wins or ties for their special category trophy, they are not eligible to fall to class or yardage group trophies.

You will NOT be eligible for any special category trophies if your Classification does not include that information.

## Daily Fees

All items listed in this directory as “ATA & State Fees” are as follows:

\$4.00 ATA Daily Fee  
\$3.00 Maryland State Daily Fee

## Grand American Team

It is the shooter’s responsibility to notify the State Delegate if they are eligible for the Maryland State Team at the Grand American and will be present.

Eligibility for the State Team at the Grand American is determined by the resident high scores in the Singles Championship.

## Golf Carts

Golf carts, ATVs and similar vehicles may not be used on the premises until they are registered with MSSA. A registration sticker will be issued when proof of insurance is shown to Ray Greb. The sticker is valid for all shoots as long as the insurance is valid.

Unlicensed drivers are not permitted to operate motor bikes, golf carts, ATVs or other motor vehicles on MSSA premises.

Questions contact Ray Greb (410) 375 – 9235 or [rgtrapmd@aol.com](mailto:rgtrapmd@aol.com)

50% of total purse will be paid to the top two scores, divided 60/40 percentage.

50% of total purse will be divided into two, three or four lewis classes, with one money each class. The third score will lead the first class.

## Payouts

A \$30 re-issuing fee will be applied for all checks that must be reissued.

Daily payouts are available at the office after 12 noon. Sunday's payouts will be mailed.

## **Shoot Management**

Each bank will consist of two traps and 50 targets will be shot on each trap.

Advanced squadding will only be permitted for a limited number of squads based on last year's attendance. All advanced squadding will be done after 12 p.m. each day for future events.

Management reserves the right to change squad or bank assignments to expedite the event.

Starting times each day will be strictly enforced.

Closing times are listed in the following program and will be strictly followed. If your entry is not paid prior to the closing time, you will not be able to enter the event.

Scores will be finalized one hour after the conclusion of the event.

The 200-target singles championship will be shot as two, 100 target sub-events, rolling through on each bank. Announcements will be made for a bench call and the squad-board will reflect when the second 100 is beginning.

## **Reduced Price Targets**

Sub-Juniors, Juniors, and Junior Golds are eligible for reduced price targets if they do not play any options. They must make this election at classification and it cannot be changed through the entire tournament.

## **Shoot Offs**

All ties will be shot off at shoot management's discretion. Notice of any decision to carry over any shoot offs will be made by announcement and will be posted on the scoreboard, at the close of the last event of the day. Any contestant leaving the grounds before a shoot off, or failing to answer the shoot off call, forfeits all rights to any trophies involved.

## **Shooters Caution**

A shooter can make only one entry per event. Once the entry has been made, the cashier will not accept additional option monies from the shooter. **POSITIVELY NO CHANGES OR WITHDRAWALS** will be allowed once the entry has been made. Refunds will be made solely at shoot management's discretion.

Shooters are cautioned to check their scores as soon as they finish shooting, and the scores have been posted.

Management will not be responsible for any errors after the options have been figured and posted on the board.

A meeting of the MSSA will be held after the final event Saturday, immediately following the shoot offs. This is open to all Maryland ATA shooters. The meeting also includes the Hall of Fame induction.
